

Crossroads Block Update

Beginning June 14, 2008

Pedestrian

- Sidewalk is closed on the east side of West Temple except in front of the Marriott Hotel, and on the north side of 100 South between the Marriott Hotel and the Crandall Building.
- Mid-block crosswalks on West Temple and 100 South are closed.
- Covered walkways are open on the south side of South Temple and on Main Street. Please use them for your safety.

Traffic

- The right lane on westbound 100 South will temporarily close between State Street and West Temple Street.
- Expansion of mid-street parking ramp on West Temple is underway. Traffic is shifted into the west lanes.

Business Access

- Freight loading zone for Beneficial Tower is located on South Temple just north of the building.
- Freight loading zone for the McIntyre and Crandall buildings is located just east of the McIntyre Building on Main Street.

NEW THIS WEEK	
1	Mid-block crosswalk on South Temple is closed.
2	New truck loading zone is in place at mid-block on South Temple. Watch for merging construction vehicles.
